

IFLA 75th Anniversary Artistic Landscape Competition: Open Call

As part of the celebrations for the 75th anniversary of IFLA (International Federation of Landscape Architects), we would like to cast a light on the landscape of the future. The concept of landscape shall be illuminated not only from a landscape architectural point of view but from many other perspectives, cultural, social, scientific, artistic – just to name a few. The concept of landscape in its enormous range shall be brought more strongly into the public consciousness. Therefore, we would like to invite people to imagine their vision of the landscape of the future. IFLA is launching the Artistic Landscape Competition under the following motto: "Challenges around the world - The landscape of the future. Landscape in 25 years = 100 years of IFLA."
